Teacher Training / Professional Development	In progress																																																																								
Academic Performance & Achievements	<p>Internal Assessment and Continuous Evaluation</p> <ul style="list-style-type: none"> ➤ Regular assessments, project work, and class participation were used to evaluate students' progress. Teachers ensured individualized attention and remedial support to help every child reach their potential. ➤ Olympiads and Hindi Rashtra Bhasa Exams <p>Our students excelled in various Olympiads and talent examinations:</p> <p>Riyash Rathi (Grade 3) secured 1st Rank in the International Olympiad of Mathematics.</p>																																																																								

Innovations & Best Practices	<p><u>1. Innovative Teaching–Learning Practices</u></p> <ul style="list-style-type: none"> ➤ Activity-Based Learning: The teachers often perform experiments, model-making, and practical demonstrations to render classroom learning enjoyable and interactive. ➤ Digital Integration: Smart boards and multimedia presentations are employed to enhance conceptual clarity and visual learning. ➤ Art & Craft Integration: The lessons are integrated with drawing, music, and role play to make learning enjoyable and creative for learners of all levels. ➤ Experiential and Project-Based Learning: Students are motivated to research, prepare models, and present their findings during class to build confidence and practical experience. <p><u>2. Best Practices in School</u></p> <ul style="list-style-type: none"> ➤ Value-Based Morning Assembly: Every day starts with a moral thought, news, and special theme presentations that inculcate values such as honesty, discipline, and respect. ➤ Remedial & Enrichment Classes: Extra help is given to slow learners while achievers are coached for Olympiads and competitive exams. ➤ Health and Hygiene Awareness: Regular check-ups by medical practitioners, yoga, and meditation classes are held to focus on overall well-being.
Environment Education & Sustainability Initiatives	<p><u>1. Environmental Consciousness in Curriculum</u></p> <ul style="list-style-type: none"> ➤ Environmental Science is woven into every subject at primary and middle levels to create consciousness regarding nature and conservation. ➤ Teachers connect classroom concepts with practical examples of pollution management, renewable energy, and sustainable living. ➤ The school celebrates World Environment Day, Earth Day, and World Water Day with theme-related activities, poster competitions, and rallies. <p><u>2. Clean and Green Campus Initiative</u></p> <ul style="list-style-type: none"> ➤ The campus is kept plastic-free and litter-free. ➤ Tree plantation drives are organized. Donating a plant on birthdays is practiced following the motto "Each One, Plant One."

	<ul style="list-style-type: none"> ➤ Students are encouraged to have green corners in their classrooms with indoor plants to increase greenery and sense of responsibility. <p><u>3. Water and Energy Conservation</u></p> <ul style="list-style-type: none"> ➤ Rainwater harvesting and low-flow taps have been installed to minimize wastage. ➤ Daily monitoring makes sure lights and fans are turned off when not in use. ➤ The students learn about solar and renewable energy through models and demonstrations during science week. <p><u>4. Waste Management</u></p> <ul style="list-style-type: none"> ➤ Paper recycling schemes are initiated through the Art Department.
<p>Sports & Co-curricular Achievements</p>	<p><u>1. Sports Achievements</u></p> <ul style="list-style-type: none"> ➤ Physical fitness and sportsmanship are considered very important by the school as a part of integral education. ➤ Students take active part in intra-school and inter-school competitions such as athletics, football, cricket, kho-kho, kabaddi, and badminton. ➤ Regular physical exercise, yoga classes, and yearly sports events are organized to instill a culture of healthy competition and stamina among students. ➤ Annual Sports Day 2024–25 was celebrated with much fervor where students engaged in races, relays, march-past, and recreational games, receiving thunderous applause from parents and visitors. <p><u>2. Co-curricular Achievements</u></p> <ul style="list-style-type: none"> ➤ The school offers diverse opportunities for students to discover their talents in various cultural, literary, and artistic activities. ➤ Students bagged prizes in elocution, drawing, handwriting, quiz competitions, extempore held at the inter-school level. ➤ The Annual Cultural Fest <i>Udaan 2024 -25 Vibrance: The Colours of India</i>, was filled with colorful dance, drama, and music performances and was a show of creativity and self-confidence. ➤ Special assemblies and competitions like Singing, Fancy Dress, Best out of Waste, and Storytelling enabled students to improve self-expression and stage poise.

	<p><u>3. Yoga and Fitness Programs</u></p> <ul style="list-style-type: none"> ➤ Students participated enthusiastically in the International Yoga Day Celebration by performing yoga asanas and learning about a healthy lifestyle.
PTA / Parent & Meetings	Quarterly Meetings Held
SMC / School Management	Quarterly Meetings Held
Financial Summary	A formal record of financial activities is maintained meticulously.
Challenges Faced & Future Plans	<p><u>1. Challenges Faced</u></p> <ul style="list-style-type: none"> ➤ Post-pandemic Learning Gaps: There are a few students still with learning gaps and dwindling attention spans following the pandemic years. The teachers are addressing these gaps through remedial and bridge courses. ➤ Digital Literacy for Students and Parents: Though integration of technology has increased, there is still a requirement for periodic digital training for students and parents to effectively utilize e-learning tools. ➤ Teacher Retention and Training: Relying on retaining and recruiting good teachers in rural areas remains a challenge. Professional development programs are being prioritized on a continuous basis. ➤ Academics Balanced with Co-curricular Development: Providing equal importance to academics, sports, arts, and values within limited time frames and resources remains a challenge. <p><u>2. Future Plans</u></p> <ul style="list-style-type: none"> ➤ Academic Excellence: For better strengthening of teaching practices through constant training of teachers, peer inspections, and using digital learning platforms. ➤ Skill-Based Education: Implementing vocational and life skills courses right from lower grades to equip the students with practical applications. ➤ Green School Vision: Scaling up the "Clean and Green Campus" initiative with solar power and waste composting.
